Refund Policy

Non-refundable Deposit

- Any deposit made to the National Health and fitness academy to enroll or to hold a position in any course is non-refundable or transferable.
- All withdrawals must be in writing and emailed to info@nhfa.com.au. A full refund will be given to a student who withdraws their enrolment within 7 days of the time that the National Health and Fitness Academy enrolment form is completed. After this 'cooling-off' period, students will be liable for a \$1500 cancellation fee if withdrawing prior to the commencement of the course. Student withdrawal on or after the commencement date of the course will be liable for the full course fees as per their enrolment form with the National Health and Fitness Academy. In the circumstances where a student has entered into a student payment plan, completion of all

payments entered into under the plan will remain the obligation of the student or account holder on the enrolment form. If these payments are not paid it may result in the account taken to debt collection and legal action may be taken.

NHFA reserves the right to vary fees without notice prior to enrolment.

All fees owing must be paid in full before the qualification or statement of attainment will be issued.

We understand that our students may sometimes go through challenging times. We take mental and other health issues very seriously. We will do what we can to support you. Mental health or other health issues, however, don't see you out of your agreement.

Payments can be put on hold for a maximum of 6 weeks or for some other specified time. The duration for holding payments is at the sole discretion of the Director and will only be decided based on the supporting medical evidence provided.

No refund of fees will be provided to you if your enrolment is withdrawn/cancelled/discontinued. In the event your enrolment is withdrawn, cancelled or discontinued with us for whatever reason, we will document and advise you of the reason(s) for this, along with advising any relevant regulating and funding bodies (as per their requirements). You can obtain a formal Statement of Attainment at no additional cost if your enrolment is withdrawn, cancelled or discontinued prior to completing your qualification, provided your fees are paid in full for the units included in your Statement of Attainment.

Payment Plan Option

Students who have selected the Payment Plan option agree to continuously pay the agreed weekly/fortnightly amount until the total debt is paid in full. The Payment Plan option occurs small additional fees associated with the direct debit company (Debit Success). These additional fees may vary depending on the length of your direct debit contract. These fees will apply regardless of whether you pay your contact out early or in the agreed time period.

You may increase your direct debit payments anytime; however, you may not reduce to below the minimum weekly/fortnightly amount within your payment plan contract. Lump sum payments can be made at any time in addition to your weekly/fortnightly payments. Students can contact Debit Success directly when changes need to be made. Dishonour fees will apply to late payments.

Study Now, Pay Later Option

Students who have selected the Study Now, Pay Later option agreed to the terms set out in the agreement they have made through provider ZeeFi. Additional fees may be charged by ZeeFi and can vary depending on the length of your contract. These fees will apply regardless of whether you pay your contract out early or in the agreed time period.

Full payment of fees is required prior to issuance of the Statement of Attainment or Certificate/s. Participants who successfully complete the requirements prior to the planned finished date can receive their Statement of Attainment/Certificate on completion, as long as all course fees are paid in full. PAST STUDENTS FEEDBACK.

LUCY LE FEUVRE

“ This course has been a great opportunity that I am very grateful to have had the chance to take part in. I have enjoyed many aspects of the course including learning the exercises for the practicals and then performing them. The practicals also introduced me to a variety of dance styles which has made me a more versatile dancer. I have also enjoyed the theory as well as it has given me a better insight into not only the dance and dance teaching industry, but the history of dance as well. Overall this course has taught me many things about the dance industry and has made me a stronger dancer.

JENNIFER MCCLEAN (PARENT OF COURTNEY)

“ I wanted to personally thank the entire team at Global Dance Pro. We are so grateful that Anthony and Zac made this opportunity available online. It really is the only way that Courtney would have been able to participate in this specific certification. The Global Dance Pro team have been amazing in providing feedback that has helped shape Courtney as a dancer.

ASHLEIGH KOHLER

“ When I saw **Global Dance Pro** was offering a Cert IV in Dance online I knew I had to enrol. I love having the freedom with how and when I study from week to week. As a performer your schedule can change weekly and enrolling in a full time institution to complete this course was not an option for me. After graduating full time dance structuring weekly dance classes, work outs and maintaining overall training can be a challenge. Taking on the Cert IV in Dance online with Global Dance Pro has given me the opportunity to structure my training, create new goals, re cap information and also learn so much more in the dance industry. I'm 28 years old, trained in dance for 24 years and have still learnt so much through this course. Their online support is fantastic and all questions are answered in a timely frame. I would recommend this course to all dancers wanting to gain a certification at their own pace in their own time. Anthony - Thank you to you and the Global Dance Pro team for offering this course in a unique and adaptable way!

UNIFORM REQUIREMENTS

SHOES AND ACCESSORIES FOR GLOBAL DANCE PRO

We understand anything dance related is very expensive although safety is paramount as it is with all sports. These shoes and accessories are only recommended for your practical assessment tasks throughout the duration of your study.

Here are 5 tips to get the most out of your dance shoes:

1. Not outside! Dance shoes are built to be worn indoors, on proper dance flooring only. They react badly to carpet, concrete and most importantly grass, so make sure your dance shoes are only worn in the dance studio, change out of them immediately before heading outside.

2. Lace up and unlace – If your shoes have laces or ribbons, ensure they are done up correctly and undone before the shoe is removed from the foot. Stretching the shoe to get it off incorrectly may damage the shoe and wear them out quicker than necessary.

3. Air your shoes out after use – The quickest way to wear out a pair of shoes is to leave them sweaty at the bottom of a dance bag. Air your shoes out next to your dance bag every time you wear them, you'll be amazed at the longevity you get out of the shoes once airing them out becomes a habit!

4. Get on top of wear and tear immediately – check your dance shoes at the end of a dance week or end of a dance term to see if there are any repairs that could be done now before irreparable damage is done. You'll be surprised at how a \$5 repair job could save you a new pair of shoes if taken care of before too much damage is done.

5. Mark your territory! Most importantly, mark your shoes with your name in permanent marker. Dance shoes all look the same when on a studio floor so make sure you know which ones yours are and if you happen to leave them behind, your teacher will be able to keep them aside for you for your next lesson if your shoes are correctly marked.

CLOTHING REQUIREMENTS:

We believe that good grooming for young people studying dance is very important. Looking one's best aids self-esteem, promotes confidence and gives pride in one's performance. Clothing for dance should not be so tight fitting that it deters you from any sort of movement although it cannot be so loose that the students get tangled in any way.

Therefore:

ALL DANCE STUDENTS:

- No jewellery especially watches. Small earrings may be worn.
- All students are required to bring a bag to class to collect notices, envelopes, etc. and for safe carriage of dance gear.
- All students also require a drink bottle containing water (only) to consume as required.

BALLET

- Hair must always be neatly groomed in a tight bun secured with many bobby pins and a hairnet.
- Ribbons, scrunchies, etc. may be worn.
- A secure bun will aid with the learning of turning steps or quick head movements.
- Please pin long fringes back.
- Pink tights/socks must be worn for all classical work.
- Leotards, ballet skirts, ballet cross-over for cooler months

BOYS

- Boys are permitted to wear shorts to class although it is recommended that long, loose fitting pants be worn to aid with their required dance steps to be performed without causing injury.
- Boys can wear comfortable t-shirts or singlets to class.
- Boys are permitted to wear Trainers / sneakers / joggers to class.

JAZZ & CONTEMPORARY

- Dance students are to wear their hair in pony tail or a different style to a bun although no student is to wear their hair out for class unless directed to do so by their teacher.
- Leggings, tights, bike pants, bike shorts, leotards, singlets, socks, shoes, etc. should be clean and well fitted.

- Students wearing leotards must wear tights / leggings / stockings / bike pants to maintain modesty whilst training in their style of dance.

SWEAT TOWEL:

Please be considerate of your fellow classmates and bring a towel to class to wipe your sweat.

Cost: \$10.00 max.

If you require any further information, please do not hesitate to email through your queries. Thank you.
